Mr. Les Price
U.S. Department of Energy
Oak Ridge Field Office
Former Sites Restoration Division
P.O. Box 2001
Oak Ridge, Tennessee 37831-8723

Dear Mr. Price:

This is to inform you that the Agency for Toxic Substances and Disease Registry (ATSDR) is developing the following health consultation:

Site Name: Maywood Site
Location: Maywood, Lodi, and Rochelle Park, New Jersey

EPA Region: II

Subject: Evaluation of the potential human health effects from exposure to radionuclides on vicinity properties in Maywood, Lodi, and Rochelle Park, New Jersey

Requestor: ATSDR and concerned citizens

If you should have any questions, do not hesitate to contact the lead health assessor, Carol Connell, at (404)639-6068.

Sincerely yours,

Burt J. Cooper
Chief Energy Section B
Federal Facilities Assessment Branch
Division of Health Assessment
and Consultation
